

Elkesley Primary and Nursery School Music – Links to Fundamental British Values

British Values	Key Stage 1	Key Stage 2
Democracy	Lessons provide opportunities for pupils to express themselves freely, forming opinions about music they will listen to, in composition and performing tasks. Within lessons students have the opportunity to express their opinions and these are respected by others. There may be votes to verify which piece of music they wish to listen to, or which song pupils wish to perform in lessons, assemblies or concerts.	
Rule Of Law	Pupils are taught how to be an appreciative and supportive audience who listen attentively whilst others perform. We will think about responsibilities of adults and children.	
Individual Liberty	Lessons provide opportunities for pupils to express themselves freely in composition and performing tasks.	
Mutual respect and tolerance of those with different faiths and beliefs	Children are encouraged to respect everyone's abilities and performances during lessons and give feedback sensitively. Children develop respect and greater understanding of differences. In music, our pupils listen to and learn about the music of other faiths and cultures and how music is used in different cultures and faiths. They are able to compare similarities and differences between music in a variety of times and cultures and to reflect on and celebrate differences between themselves and others. Children are taught to understand and respect other cultures and beliefs. Opportunities are given in our music lessons for children to show how music can bring people together and enable them to share experiences.
